

Service animals

We welcome service animals on board Greyhound buses (they always seem to enjoy the ride too).

Service animal means any guide dog, signal dog, seizure response dog, psychiatric service dog, sensory signal dog or other animal individually trained to assist, work or perform specific tasks for an individual with a disability.

The service provided by a Service animal, includes, but is not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, standing guard over the individual during a seizure, detecting the onset of a psychiatric episode, providing minimal protection or rescue work, pulling a wheelchair, fetching dropped items or disrupting repetitive movements that are common to individuals who are autistic.
